2022 WILD & SCENIC WEBINAR SERIES

COST: RMS MEMBERS = FREE! NON-MEMBERS = \$15/WEBINAR

1/19

2 - 3:30PM ET

MANAGEMENT OF WILD & SCENIC RIVERS

This webinar is the first in a six-part series about WSR management. This webinar explains the hierarchy of management direction stemming from the WSR Act, including specific agency-developed management guidance.

REGISTER

2/16

2 - 3:30PM ET

PARTNERSHIP WILD & SCENIC RIVERS

In the second webinar of the series, participants learn the history of Partnership Wild and Scenic Rivers and the roles and benefits of the partnership approach to WSR management.

REGISTER

3/16

2 - 3:30PM ET

INTRODUCTION TO SECTION 7 OF THE WSR ACT

In the third webinar of the series, participants learn how to determine whether Section 7 applies to a proposed project, and what standards should be used to evaluate projects where Section 7 does apply.

REGISTER

4/20

2 - 3:30PM ET

SECTION 7 & A BROADER NEPA ANALYSIS

In the fourth webinar of the series, participants learn how to incorporate the Section 7 process into a broader NEPA analysis or permit process for a proposed project.

REGISTER

5/18

2 - 3:30PM ET

OUTSTANDLY REMARKABLE VALUES

In the fifth webinar of the series, participants learn the criteria used to determine whether a value qualifies as an outstandingly remarkable value (ORV) and how to document ORVs.

REGISTER

6/15

2 - 3:30PM ET

STEPS TO ADDRESS USER CAPACITIES

The sixth, and final webinar of the series, covers the basis and rationale for addressing user capacities for WSRs, and outlines a recommended framework with steps for addressing user capacities.
