FREITAS UPLAND PHEASANT UNIT

Refuge Unit Hunting Regulations

Hunting is subject to the following regulations or as otherwise posted (map on reverse):

1. Hunters must possess valid hunting licenses, stamps, and area permits while in the field.
2. You may possess not more than 25 federally-approved non-toxic shotgun shells once you have left the parking lot.
3. Vehicles must be parked in the Pheasant Unit parking lot. Access to the hunt unit is by foot only.
4. All permits must be completed and returned to the check station immediately upon completion of your hunt.
5. Use or possession of alcoholic beverages while in the field is prohibited.
6. This unit is open only on Wednesdays, Saturdays, and Sundays during California's normal pheasant hunting season. All hunters must check-in at the Kesterson check station to obtain an area-specific permit.
7. Hunters may not move back and forth between the Freitas pheasant zone and the Freitas boat-in waterfowl zone without changing their hunt assignment at the check station.
8. Hunters may enter the field after obtaining a permit from the check station, but no shooting is allowed until start of official 8:00 a.m. shoot time.
