Thanks for the quick turnaround Jeff. I spoke with Jessica Rubado and she added your suggested text in the HiLine BP. Cross your fingers!

Hi Pat. The Miles City document looks good (recall that Charles did review the DEIS and summary information in that case). The Hi-Line document is much improved - they missed clarifying what was reviewed in a sentence near the end (see attached). Should be fine once that's fixed. Thanks,

Jeff

Hey folks -

BLM has revised their briefing papers for this afternoon's discussion. Please review ASAP and let me know if you have any outstanding concerns (including those outside briefing papers).

Thanks for your patience on this effort.
