I just looked at it. I'm not aware of anything new since we updated it about a month ago. I do not have anything to add.

If you have not checked or updated that state planning efforts tracking document in the last 2 weeks, please review and update that information by NLT noon Friday, Sept. 6.

FWS leadership have a briefing for the Secretary next week and they have requested up-to-date information for that briefing. Please call if you have any questions. Thank you in advance for your prompt response.

Click on "SUMMARY TABLES" and enter appropriate information.
