Thanks for your email. We are looking for clarification on our jurisdiction as it relates to aquaculture within the DNR Use Easement.

I'll let you know where we stand as soon as I know.

Jennifer,

Scott Chitwood informed me that you are still waiting for the solicitor's opinion concerning our lease. I'm assuming you have a copy of the lease and was wondering if the solicitor's opinion concerns the legality of the DNR lease? If not, what opinion about the lease are you waiting for? Jamestown would like to move this forward as soon as possible, which as you know involves USFWS as the lead for the ESA consultation. Thanks.
