Subject: Aquaculture Operations in Dungeness NWR: Public Comment Period
Date: Friday, April 6, 2018 4:01:44 PM

Here is the information on the public comment period for our volunteers.

Commercial Oyster Farm in Dungeness NWR

Clallam County seeks comments on a Shoreline Permit Application from Jamestown S'Klallam Tribe for a Commercial Aquaculture Operation within the boundary of Dungeness National Wildlife Refuge. The proposed operation includes 150,000 on-bottom oyster bags on 50 acres of tidelands in the northeast corner of Dungeness Harbor.

Comments Due: April 27, 2017

Submit Comments to:

Steve Gray
Deputy Director/Planning Manager
Clallam County Department of Community Development
