Subject: Talk with Nathan
Date: Thursday, January 14, 2016 10:48:30 PM
Importance: High

Forgot to let you know that the conversation I had with Nathan was about a conversation he had with the ARD for Fisheries. Roy had been approached by Chairman Ron Allen about the aquaculture situation and was upset that he had not received a reply to his letter. The reply had been sent on November 25.

I'll be briefing our new DRD the last week of the month.

Sylvia
