I did not see any yellow highlights in the document. I have tried to respond to any comments that did not have any answers associated with them and have highlighted those answers in yellow. Please let me know if I missed anything. I will most likely be available to talk after 2pm your time today if needed.

Hi Jennifer and Sue,

Take a look and see what you think. I can change anything if you like. This is such a solid document, you did such a nice job with a good tone.

Thank you,  
Nicole
