All—Lynn Peterson (my boss) heard about this request from the tribal attorney. I asked John DeClerck to check and after some inquiry, he located the attached FOIA request which appears to have been received about a month ago. I expect it will be headed your way soon if it hasn't already. In the normal handling of a FOIA request, our office only reviews documents that are proposed to be withheld—we don't see what is released. Knowing that this is a sensitive topic, please let me know if our office can be of assistance in reviewing documents. Thanks. --Frank

Fyi, if they sent it in via mail to FWS HQ it could be 3 months before we see it due to covid and no one being in the HQ building to get the mail.

We've heard there's a FOIA request from the Tribe regarding an aquaculture lease at Dungeness NWR. Do you know anything about this one? Thx
