Subject: slightly revised version

Hi Craig, Lisa had a few minor typo corrections, and we also somehow duplicated a few sentences in one paragraph (I totally did not catch it, since the language was identical and said what we wanted to say). She did not have any other edits or issues for us to address. So, this attached version is what's in DTS for HQ/DOI review right now (FR00005021). Lisa has surnamed, hoping Elizabeth can move it quickly and get it to Gary soon.

Hope you had a great Thanksgiving and are able to take your scheduled leave this week!
