Subject: Globally important islands for mammal eradication

All:

I wanted to pass on the following publication of interest for those who work on island conservation / eradication. A sub-set of folks receiving this e-mail contributed to this publication or work on / with sites discussed.

New paper:

<https://journals.plos.org/plosone/article?id=10.1371/journal.pone.0212128>

Many thanks to Bob Reed (USGS) for sharing the link.

Sincerely,
Earl W. Campbell III, Ph.D.
