The FEIS is files with EPA and the notice will be published on March 15th. The 30-day wait period ends on April 14th (that is the date that EPA assigned).

The screenshot shows the EPA Central Data Exchange (CDX) website. At the top, the EPA logo and "United States Environmental Protection Agency" are visible. Below the logo, there are links for "Home" and "Help". The main header reads "CDX Central Data Exchange". On the right side, there is a "Contact Us" link and a login status: "Logged in as PROBERSON (Log out)" with the role "Submitter".

The main content area has two tabs: "EIS Search" and "EIS Submission", with "EIS Submission" being the active tab. Below the tabs, a breadcrumb trail reads: "You are here: MyCDX > Submit > Submission Complete".

The section is titled "EIS Submission Complete". The text reads: "Thank you for submitting your EIS with e-NEPA. We will review your files and publish your EIS's information in our Federal Register Notice of Availability next Friday. If there is a problem with your submission, we will contact you before Tuesday of next week." Below this, it says: "If there are required revisions or additional files that were not submitted accidentally, please contact [eis-filing@epa.gov](mailto:eis-filing@epa.gov)."

At the bottom of the main content area, there are two buttons: "Start New Submission" and "Search Records".

The footer contains the following information: "CDX Help Desk: 888-890-1995 | (970) 494-5500 for callers from Puerto Rico and Guam", "About CDX | Frequently Asked Questions | Terms and Conditions | Contact Us", and "EPA Home | Privacy and Security Notice | Accessibility". On the right side of the footer is the EPA seal.
