Hi Mendel,
Here is the NOI for surnaming. I've accepted Gerry's changes, except that for the date of the public meeting I've left it as spring 2011. If this notice goes through quickly we can have the meeting in April and if not, in May. If the contact person changes I can change that before it goes for publication, just can't change anything on the last page without getting it signed again. I put the ABC code as W5 (restore marine and coastal habitats). Let me know if I should change it. I'm going to send this concurrently to Barbara Goodyear for surnaming.
