Stacey,

After budgeting some other things out, I think we're in pretty decent shape for this year. I'm still waiting for a final okay from PRBO's fall biologist, but we believe they can provide assistance with the bait trials. However, just in case, let's keep it budgeted for your full crew. If you don't need the fourth person, then we can apply that to next year's budget where it looks like we could have a shortfall.

So, please send me your revised budget including the following:

- Deleting the video
  - Including the gull risk analysis, but delete the budgeted items for Field Work and Travel from that.
- I can't remember what else (if anything) was going to be adjusted from the previous budget.

Thanks again for your hard work on this.

Gerry

Subject revised budgets

HI Gerry-

I've made the changes to the budget(s) we discuss. To reduce confusion, I will wait to send these to you once I hear back whether PRBO would be available to assist part-time with the mouse eradication trial this fall.

Thanks, and sorry this has taken so long to get back to you. It has been a hectic week.

-Stacey

Subject RE: another question

Gerry,

Try me on my phone tomorrow. Morning would be best, since I have a call 1 – 4 pm tomorrow. I am bit hectic trying to get the Rat Island camp loaded on the Tiglax Thursday and a contract deadline for Friday. I am sure we will connect though before we go our separate ways for the enxt few weeks.

Thanks,

Stacey

**Subject:** another question

Hi Stacey,

I left a message on your cell about discussing the gull risk analysis some more. I'm still not quite sure how much it will help us before the bait trials are even conducted, especially given the cost.

Also, in the original Luckenbach, part of this year's task was to begin developing a Reintroduction Prevention Plan. I'm pretty sure you stated that was included in your

estimates but I want to check and make sure.

Give me a call when you can or let me know a good time to call you. I'm close to taking off for the day. Tomorrow I have a conference call from about 9-9:30 and a meeting from 11-3. Pretty free Thursday and off Friday.

Thanks.

Gerry
