Hi Angela,

Did these change at all since I sent them. Just want to make sure I have the final version in the record as sent to WO.

thanks

Hi Mary,

I have updated the FR, species report and talking points to incorporate the July 2013 Nur report as we discussed as well as some last minute language from Gary Falxa. I will start on the memo now, but am out on flex after 2pm today and A/L tomorrow. Is there a date that the memo has to be to region by?
