Subject: Gull Risk Assessment Contract
Date: 06/01/2012 11:22 AM

Hi Gerry,

I know you are slammed with EIS related work, but we need you to review the scope of work changes to the gull risk assessment contract with Stantec, LLC. Can you please review this revised contract and provide any feedback to me by next Monday? The contractor is available to work on this risk assessment during the month of June, but will be extremely busy in July and August. For this reason, we are trying to expedite the contract negotiations and get this assessment going. Thanks again,

Gabrielle
