I'm presently available all four days, but EIS meeting scheduling could change that.

Kathleen:

We could try to do a Comm meeting the 23rd, but there will be little to report on by then, as Gabrielle and I will only have been working on the EIS until then.
We have yet to hear back from Gerry on his availability for the EIS meeting, but Russ and Gabrielle and I may meet with the EIS core group on the 24th (Friday).

I would suggest putting off the SEFI Comm. meeting until September 4th -7th. You could use the week of the 21st while you are here to prod any of us on getting any important action items moving, but there seems to be little on the hot plate right now communications-wise (That will change, of course).

I am checking in with Dan this week about the partner meeting. If you could fill out the times from the link below (doodle poll) you could do a call the week of August 20th that would be fantastic

Hope everyone had a nice weekend
