***Ahoy Team Farallon!***

Attached, for your review and comments is a page of ***Trial "Factoids"*** and contacts I wrote, to be used for the communiqués we discussed today at our Communication Team Meeting (*Doug and Jonathan were to develop Limited Advisories to the FAA, Coast Guard, and tour boat operators, and Amy/Melissa/Doug were to use these for responses to any press/public inquiries*).

When you develop any communication products from these, please notify the Team so that we can share any products with our additional partners in this trial (OWCN and USDA-APHIS).
