Hi Gerry,

Sorry for my late reply. I was sick this week and wasn't able to get back to you until today. As for the NOA for the DEIS, Patricia and I discussed initiating the process once you had a chance to comment on ch 2 alternatives. She asked me to send a good copy of that chapter to her to use as a guide in writing the NOA. We want to give ourselves at least 3 months to complete the entire NOA process, so initiating the process of circulating the draft NOA throughout the FWS and DOI during the Administrative review should give us plenty of time to complete the process. Thanks,

Gabrielle

Gabrielle,

Something I forgot to ask about Friday was when do we want to get Fed Reg notice started. Do we want to start that now?
