I can be on the call if you have a call in number and pass code. If it's possible, could I get more advanced notice of any calls I should be on? Also, I might have Valerie be on the call also since she will more than likely be helping on the project.

Eric,

Would you like to participate in this meeting? Do you have any updates on USDA involvement? We will need a budget soon, too.

Subject: Gull meeting Wednesday 2pm?

Howdy Team Farallon:

How about a flocking together on the phone for a gull trial planning meeting tomorrow (Wednesday) at 2pm?

We can add to this list if needed (Eric Covington, perhaps, but maybe Gerry can get the budget/schedule info we need from Eric instead?)

I will send out a draft agenda tomorrow morning.

Thanks !
