Hi Gerry,

In light of this news, I would like to set up a meeting with Patricia to better understand when we can start the two month process to obtain the NOI and how that will impact our current timeline. Would you like to arrange a meeting for the three of us to meet or should I contact Patricia myself?  
Thanks,

Gabrielle

Hi Gerry,  
I would allow a full two months - the closer we get to the election in November, the slower the clearance process is likely to move.

Subject: question on Fed Reg notice

Hi Patricia,

For planning purposes, I wanted to double check with you how much time we should budget for your review, modification, submission, and publication of Federal Register notice for a Draft EIS.

Thanks.

Gerry
