Hi Gerry:

Are you still free on **Aug. 24** for a meeting to go over the selection matrix with Jaime and Gabrielle and I?

I will be sending out the July 29 morning meeting notes and the requested Power point and papers/documents requested at that meeting later today. I will use the email list you used to send out the invitation to the meeting.

Gabrielle will send out the scoping comments and revised matrices in PDF form to the cooperating agencies soon. She is still waiting for the comments that Zach apparently took with him and was going to mail to you. **Did you receive them yet?**

Today was the last day for the attending agencies to send us their comments on the Alternative Selection Process itself.

Have you received any written comments on the process we proposed at the meeting?

Talk to you soon –
