F16PX02667 Modification 3 Environmental Policy Solutions
National Environmental Policy Act Services For
South Farallon Islands House Mouse Eradication
Environmental Impact Statement

This modification is to add \$2,617.37 for performance of the tasks listed below and to extend the period of performance to purchase order F16PX02667 Environmental Policy Solutions for NEPA support of the Farallon Islands National Wildlife Refuge house mouse eradication project.

In **Section 5. Deliverables**, add the following sub-sections:

- 5.8.1 Revise the Consistency Determination under the Coastal Zone Management based on comments received from Service staff and prepare for submission to the California Coastal Commission (Commission). Assist the Service with preparation for a public hearing before the Commission, including communications with the Commission prior to the hearing, providing needed materials regarding the project to the Commission, and preparing presentation materials.

In **Section 8. PLACE/DELIVERY AND PERIOD OF PERFORMANCE**:

Extend the period of performance to March 31, 2019. In addition to completing the tasks described above, more time is needed to complete the Administrative Record for the project which was delayed because of the recent federal government shutdown. Completion of the Administrative Record requires review and approval by the COTR.

All other terms and conditions of this purchase order remain the same.
