Instructions:

1. Read the "Recipient Risk Assessment Guidance" posted on the Intranet at <https://inside.fws.gov/go/post/FAPO-NewAwards>.
2. Complete this form once a Fiscal Year (FY) for each recipient who will be awarded one or more grant or cooperative agreement awards from the program in the open FY. The results of this risk assessment will apply to all awards to the recipient in the open FY.
3. For each category below, enter a numerical rating of 0=Not applicable (N/A), 1=Low, 2=Medium or 3=High in the Rating box. Use the information provided under the Rating Description sections to assist you in assigning a rating to each category. If not a new recipient, consider the recipient's performance on all currently open and recently closed awards, when applicable to the risk category.
4. For each category below, specify in the "Basis for Rating and Other Comments" field the factors that contributed to the rating entered. Provide enough detail to give an independent reviewer a clear understanding of the rationale used to determine the rating. If documents exist to support your rating (e.g., performance report on previous award) identify the document(s) and specify the location of the document(s). Here is an example of the type of detail to be entered in the "Basis for Rating and Other Comments" fields:

Category 1 Rating = 1; "Basis for Rating and Other Comments" field reads: *The recipient has successfully implemented awards under our program in the past. Some projects include sub-recipients and construction, but awards with these complexities have been well managed. Summaries of past project results are available in our program database.*
