Yes that would be good to see if they are available for that day. I'm fine with flying back Thursday morning if that works to give the refuge team more time. Fine with Sonny setting up a border tour that week as long as he can make the spaceX meeting

Subject: Fw: Schedule -Sept 18-20th In-Person Visit for Space X / Possible Refuge Visit

Good morning,

Everyone on the email below is available for those dates provided for the in-person Space X meeting. Would you like me to reach out to Brian Weir, Matthew Thompson, Gwyne Shotwell, and Kathy Lueders to get something set up for a Tuesday 9/19 meeting with Monday and Wednesday as travel days (with a possible Refuge visit just for you)?

Sonny is setting up a "TX Border visit for Amanda in September also" and was asking about getting it set up in the same week.

*Thank you,
Marlene*

Good morning,

Amy is checking into an in person meeting for Space X in September 18-20th and wanted to

check to see if everyone would be able to make it. Can you please check your calendars and let me know at your soonest? If all is well, I will begin to schedule the meeting and send out the email invite for the travel dates.

Thank you for your help with this!
