I have scheduled a meeting for you and Amy at 10-11 EST. Is there anyone else you would like me to add onto the calendar invite?

Amy – could we please tag up tomorrow to check in on the SpaceX work? Marlene – we are available tomorrow from 10am to 11:30 eastern. If that doesn't work – I can send additional times.

Also – we are having a problem getting a response from someone in the field to get a permit for a cultural survey field survey. The SpaceX contractor will be in the field next week, so trying to get all the permits lined up for them.

Amy Hanson from our group has been trying to get in touch with George Macdonell (see attached). Dawn and Chris Perez have been trying to help with additional contacts with no luck. Do you know who we can reach to try and unstick the permit?

Thanks for any and all help.

-Stacey
