Subject: grizzly bear relocation sites

Hi all,

I wanted to thank you for the opportunity to present at the Bitterroot NF FTL and see if you have any follow-up questions for us regarding the identification of relocation sites for grizzly bears? Lydia Allen and I are trying to set up a time to chat regarding the format for new agreements and a public outreach team. I have in my notes that Tod would be on the team from the Bitterroot NF but wanted to see if that was correct and if there should be anyone else included?

Thanks!

Jennifer
