Subject: GBRP Update for 8/5/2024
Date: Tuesday, August 6, 2024 12:29:31 PM

Hi all,

Below is the GBRP update for July 23 – August 5. As always, please let me know if you would like any additional information, or if there are others who should be included on these updates.

GBRP Update 7/23 - 08/05/2024

Libby/Selkirk Cabinet-Yaak:

- Trap and hair snag crews are out working in the Cabinet-Yaak and Selkirk recovery areas.
- 7/30 - Crews captured and collared a new subadult male in the Selkirk Mtns

Conflict:

Idaho

- 2 Management removals:
 - 7/23 - IDFG removed an adult male grizzly responsible for multiple depredations on calves over 7-10 days.
 - 8/3 - IDFG removed adult male grizzly after depredating on a large calf along side a road during daylight hours and exhibiting unusually bold behavior around campgrounds.

Washington

- Grizzly 1068 has been moving between the Columbia and the Pend Oreille Rivers, with no reported or suspected conflicts.

Wyoming

- 7/30 - WGFD incidentally captured a cub of what may be grizzly 863 during research captures. The cub was instrumented with a VHF eartag transmitter and released.
- 7/31 - USFWS Conflict Specialist assisted WGFD in preemptively capturing and relocating a young male grizzly outside of Wilson WY.
- 8/5 - Grizzly 399 + yearling were observed just inside the southern boundary of

Grand Teton NP.

- The bear presumed to be 863 and 2 cubs have been in the vicinity of Highway 26 and Togwotee Pass, but no reports of traffic jams and other associated issues
- 1 management removals in Wyoming:
 - 7/27 - Non-lactating adult female grizzly removed from Upper Green after multiple depredations. Bear had previously been captured and relocated for cattle depredations.

General:

- MTFWP, WGFD, and the NPS collaborated to capture and relocated two grizzly bears, one female and one male, from the NCDE to the GYE for the purposes of genetic augmentation. [Governor Gordon, Governor Gianforte Celebrate Successful Grizzly Bear Translocations | News | thecheyennepost.com](#)
- USFWS and NPS posted a detail position to assist with NCE implementation planning. [Open Opportunities \(usajobs.gov\)](#)
