Mr. Hobbs,

Thank you for your efforts to renew the efforts of the Hunting and Shooting Sports Conservation and Access Council. I am the president of the USA Clay Target League - America's largest clay target shooting sport organization who's primary mission is getting high school and college students to participate on clay target teams through their schools. If there is anything I can do to help the Council's efforts to get more people involved in recreation shooting sports or hunting, please let me know.
